

HIS Implementation Strategy

Presented By:

Eng. Mansour Al-Swaidan

National HIS Program Director

Ministry of Health – Saudi Arabia

Agenda

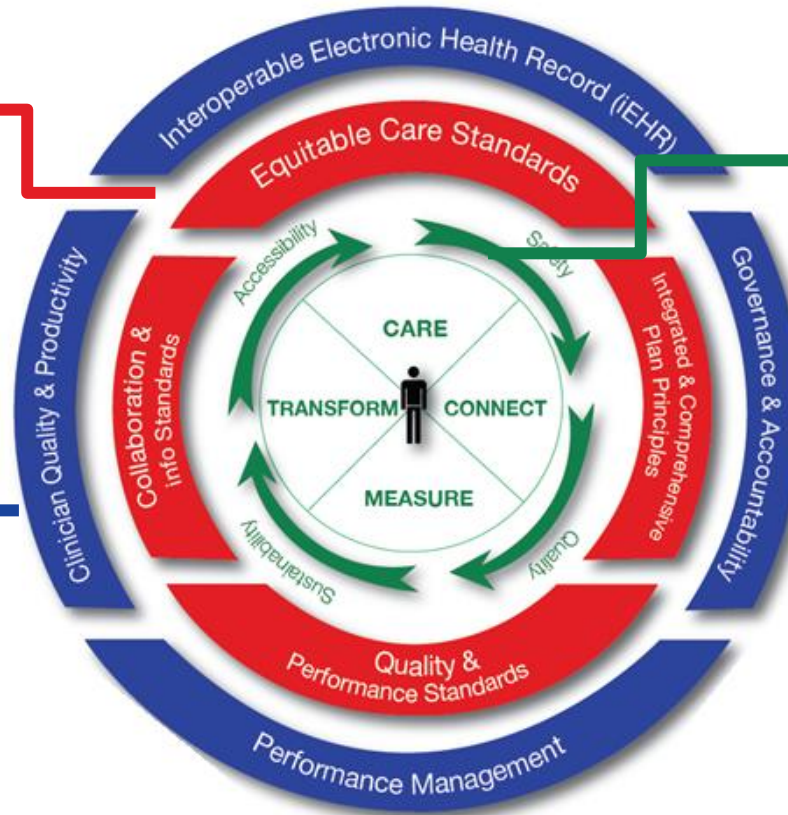

- MOH eHealth Vision
- HIS Implementation Strategy
- Current Status
- Implementation Approach

MOH eHealth Vision

Guided by Standards

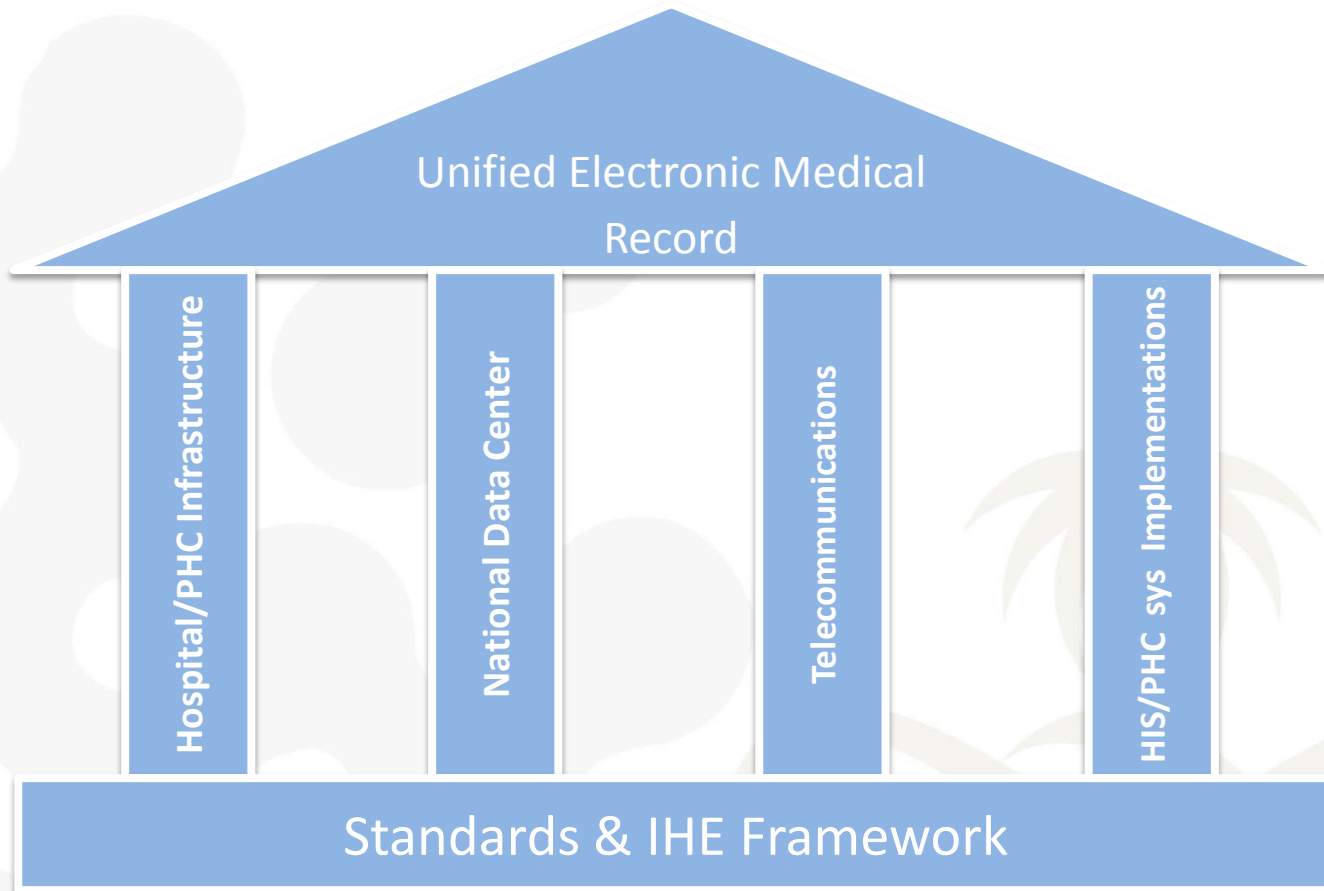

A Safe, Quality Health System, based on Patient Centric Care

Enabled by eHealth

The MOH eHealth vision consists of 4 dimensions: the interoperable Electronic Health Record (iEHR); Clinician Quality and Productivity; Performance Management and Governance and Accountability.

MOH eHealth Vision
